

Access Anglesey

Geological Field Trip

2nd - 9th September, 2018

STUDENTS WANTED!

Are you interested in exploring **accessible** and **inclusive** ways of doing **fieldwork**?

This is a **free**¹ **opportunity** for any undergraduate student², including those for whom fieldwork is a challenge³, to evaluate new ways of doing fieldwork.

accessanglesey.leeds.ac.uk/

Places are also available for those with an interest in the provision of accessible fieldwork.

¹Food and accommodation are paid for by the HEFCE project for student participants.

²Students should be studying Geology or Geology related degrees at a UK university.

³Due to mental health, learning, sensory or mobility issues.
